

Dear Members/Donors/Associates/Supporters,

Good news! This year, our College graduates have obtained very good DSE results and are provided favourable university offers through JUPAS and UCAS. 54% of the graduates have received offers in the local universities through JUPAS while half of the graduates also receive offers from the overseas universities. Both the summaries of the DSE results and the university offers have already been uploaded onto the school website for viewing.

I would like to take this opportunity to extend my hearty congratulations to the graduates for their great success and to thank the dedication and commitment of the Principal and all teachers and staff. May I wish the graduates all the best in their future endeavours.

Warmest regards,
